Day 2 Session 6 - Finals

First finalist of the night was Aimee Watson in the Girls 11-14 100m Backstroke. Having been seeded 31st for the event a great swim in her Heat saw Aimee move up to 10th position overall and she was keen to replicate this form in the Final. With a good start over the first 50m, Aimee was very much in the thick of the race and held on to finish close to the leaders, but unfortunately unable to improve on her 10th position. A great effort from Aimee throughout the day resulting on an overall improvement in her Personal Best of 3.09seconds in a time of 1:10:94.

Last finalist of the day was Matthew Garrity in the Boys 11- 14 50m Breaststroke. Having already secured an 8th place in the 400m Freestyle in the afternoon session, Matthew had to recover from the exertion's of this distance event and get ready for the 50m sprint. A very competitive race was anticipated and it did not disappoint with Matthew finishing in 4th position just outside his own Personal Best

Coach Comment

Day 2 of Nationals and a mixed bag of results today. Highs and lows are part of the journey and it's what you learn from these ups and downs that's important. Growth mind set and resilience are key to improvement and development. With a couple of days of racing remaining it is important that lessons are learned and swimmers put disappointments behind then and focus on upcoming events.
